Salt River Tubing Safety Protocols have been implemented to help ensure "safe distancing" while recreating responsibly in the Lower Salt River Recreational Area. They are as follows: SRTR requires its Employees to wear Face Coverings as well as gloves. Daily temperature checks are administered; SRTR

guests are required to wear a face covering/bandana during the tube rental/tube return processes as well as during transport on its shuttle buses; SRTR's passenger buses have been downsized to transporting fifteen (15) passengers per bus; shuttle buses are disinfected nightly (every 24-hours); SRTR enforces safe distancing between guests awaiting the tube rental transaction process, and last but not least, Family and/or Friends that have traveled together in vehicles to SRTR may choose NOT to socially distance themselves since they chose to travel together with said precautions. These Safety Protocols will remain in place until "safe distancing" restrictions have been relaxed or eliminated.
