

## **SALT RIVER TUBING'S SAFETY PROTOCOLS**

**ARIZONA! Let's Show America how we  
"Recreate Responsibly with Safe Distancing"  
On Salt River in Tonto National Forest!**

- A Face Mask will be **REQUIRED** during the **Tube Rental/Tube Return Transactions AND for Shuttle Bus Transport To/From Salt River. NO EXCEPTIONS WILL BE PERMITTED!**
- SRTR will require its Employees to wear Face Masks as well as gloves. Daily temperature checks will be administered.
- Shuttle Bus Transport – Passenger Transport on SRTR Shuttle Buses have been downsized to transport twenty (20) persons/bus.
- Shuttle buses will be disinfected nightly (every 24-hours) with disinfectant solutions.
- SRTR will enforce 'safe distancing' between guests on the 'beach areas' awaiting the Tube Rental and Tube Return transaction processes at the Tube Rental Facility. A Face Mask is **REQUIRED** on the 'beach areas' at the Tube Rental Facility and on SRTR Shuttle Buses.
- Family/Friend **GROUPS**: Family and/or Friends that have traveled together in vehicles to SRTR may **CHOOSE NOT** to 'safe distance' themselves since they chose to travel together with said precautions. Maximum size of groups will be limited to Ten (10) persons.
- SRTR Safety Protocol signage is posted at the SRTR Terminal Building (Tube Rental Facility) and Bus Stops #1, #2, and #4.
